Ellis Nuttall & Co are once again pleased to be able to sponsor and assist at the 2008 National Beef Show together with F.P. Nevins & Co which managed the selling of the entries for the 2007 All Breeds Sale.

This year we look forward to vendors offering their cattle for sale once again and would be only too happy to talk to vendors about their prospective lots.

The Ellis Nuttall business was founded in 1937 by Ellis Nuttall who began work with Herbert Spencer in the early 1900's. In 1930, Mr Nuttall teamed up with AD (Lex) Clark to begin Nuttall & Clark which functioned until 1937 when Mr. Nuttall established Ellis Nuttall & Co. Mr. Clarrie Rodda who began work as a junior clerk with Mr. Nuttall in 1943, his former mentor, was an astute stock agent auctioneer as well as being a renowned valuer and land salesman.

Mr. Rodda, who is still associated with Ellis Nuttall, took over the running of the business in conjunction with another employee. Rupert Fawcett, upon the death of Mr. Nuttall in 1975. Rupert Fawcett Senior, Kevin Stratton (formerly of Gippsland & Northern) and Rupert Fawcett Junior are now the directors of the Ellis Nuttall business.

Mr. Stratton and Mr. Fawcett Snr, are both delighted that younger members of their families are interested in continuing the agency business.

Mr. Fawcett's son, Rupert Fawcett junior, has been associated with the company for some time. Mr. Stratton's son Andrew (Drew) joined the company 2 years ago after gaining experience in corporate accounting and is currently finishing his full real estate license.

In the Livestock division Ellis Nuttall employs 6 full time staff including company accountant and clerk Tony Vlaeminck and Echuca / Moama district representative Gerald Barnes.

The Ellis Nuttall business prides itself on providing good old-fashioned friendly service and is a member of the Australian Livestock & Property Agents Association and is Bendigo's sole representative in the Rural Marketing Agents group.
